Spring 2010

Dear Valued Customer,

Spring is right around the corner! Of course in Colorado that could mean you are enjoying a warm sunny day today, or we've just received a couple feet of snow. Personally, I love the variety in Colorado weather. Having grown up in Pennsylvania and then living in Montana for four years, I wouldn't trade our weather here for either. It's never boring and we're truly spoiled with sunshine.

I hope that you and your family have had a wonderful start to 2010. Mine has been busy but exciting. I've been attending several photography seminars and webinars lately and gathering many new ideas from fellow photographers that I look forward to introducing to you this coming year.

One great new idea that I am participating in is the 2010 International Charity Model Search. This is a great way to update your family portrait while supporting a wonderful charity. Plus you get the chance to win a new car! You can read all the details about the contest in this newsletter.

It's also time for our annual Baby and Child Portrait Contest offering

## Are You America's Cutest Family? If So, You Could Win A New Car!

I am very excited to be participating in the 2010 International Charity Model Search for America's Cutest Family. This is a fun way to update your family portrait while supporting a wonderful charity, the Now I Lay Me Down to Sleep Foundation

Once your image is posted in the national online gallery, your friends and family can vote for you to win. Each vote costs \$1 and all proceeds benefit Now I Lay Me Down To Sleep. Many prizes will be awarded and the grand prize winner receives a new car!
